REPORT

Title of Seminar: Research Methodology

Objective: The seminar objectives are

- To understand the basic concepts of Research and its methodologies.
- To demonstrate the procedure / plan of action for conducting research.
- To identify appropriate Research topics.
- To prepare a project proposal.
- To write a research report and thesis.

Outcomes after completing this Seminar:

Participants will be able to:

- Develop an in-depth knowledge to approach problems in Computer Science and Engineering in a scientific manner.
- Identify and discuss the complex issues inherent in selecting a Research Problem, selecting an appropriate research design, and implementing a Research Project.
- Identify and discuss the concepts and procedures of sampling, data collection, analysis and reporting.

ACTIVITY REPORT ON IPR

Dated: 16/11/2019

ACTIVITY DETAILS: INTELLECTUAL PROPERTY RIGHTS (IPR)

PARTICIPANTS: 45 Faculty members have participated in the seminar.

Department of Electronics and Communication Engineering organized a seminar on "Intellectual Property Rights (IPR) on 16th Nov. 2019. Dr. Aman Aggarwal, Director, Ganga Institute of Technology and Management inaugurated the seminar and delivered the inaugural address.

Mr. Anil Kumar Yadav (Examiner of Patents & Designs, IPO Delhi) explained a new IPR paradigm on IPR. The legal basis of IPR and its various forms were discussed. The ethos and process versus product patents, trades secrete protection, designs, copyrights, etc., and the basis of the expectance of various IPR. The problems were discussed at length while filing the same regarding the types of patents such as utility patent, software patent, nano-tech patent and design pattern. There were around 45 faculty members who attended the programme. He also explored the Importance of IPR laws and measures for developing new small-scale industries and their organizational structure.

Dr. Rakesh Kumar Joon, HOD ECE delivered thanks address.

REPORT

Title of Seminar: Research Methodology

Objective: The aims of seminar are

- To understand some basic concepts of research and its methodologies.
- To demonstrate the procedure / plan of action for conducting research.
- To identify appropriate research topics.
- To prepare a project proposal.
- To write a research report and thesis.
- To enhance the research quality.

Outcomes after completing this Seminar:

Participants will be able to:

- Develop an in-depth knowledge to approach problems in electronics and communication engineering in a scientific manner.
- Identify and discuss the complex issues inherent in selecting a research problem, selecting an appropriate research design, and implementing a research project.
- Identify and discuss the concepts and procedures of sampling, data collection, analysis and reporting.

ACTIVITY REPORT ON IPR

Dated: 15/12/2018

ACTIVITY DETAILS: INTELLECTUAL PROPERTY RIGHTS (IPR)

PARTICIPANTS: 82 Faculty members participated in the seminar.

Department of Electronics and Communication Engineering organized a seminar on “Intellectual Property Rights (IPR) on 15th Dec. 2018. Dr. Aman Aggarwal, Director, Ganga Institute of Technology and Management inaugurated the seminar and delivered the inaugural address.

The session started at 10:45 AM. This session included a fascinating talk by Mr. Anil Kumar Yadav (Examiner of Patents & Designs, IPO Delhi) on IPR “How to file the Patent”. His lecture started with ‘What is Intellectual Property Right’ and the difference between innovation and discovery. Then he discussed different aspects of Intellectual Properties like patents, Patent Rights, Trademarks, Industrial Design, Geographical Indication, IC Layout (Semiconductor, Trade Secret, Copyright, Farmers’ Rights and Researchers’ Rights. He concluded his point by explaining the rationale of protection and the nature of IPR. IPR are monopoly rights. He emphasized that IPR have to be renewed from time to time to keep them enforced except in the case of copyright and trade secrets.

Dr. Rakesh Kumar Joon, HOD ECE delivered thanks address.

ACTIVITY REPORT

Dated: 28/02/2018

ACTIVITY DETAILS: Entrepreneurship Awareness Camp by Hardicon.

A three days Entrepreneurship Awareness Camp from 26-02-2018 to 28-02-2018 was organized by Hardicon Ltd. in our institution. The camp was inaugurated by Dr. Aman Aggarwal, Director of the Institution. The session started with the warm welcome of HARDICON LTD members. The main objective of camp was to get the students aware of the different skill areas where they can establish themselves as entrepreneurs and create jobs for others. One hundred nine students and twenty faculty members in all attended this entrepreneurship awareness camp.

Dr. D K Sharma delivered a lecture on camp objectives and business opportunities identification. Several other dignitaries delivered their speeches on different topics related to Entrepreneurship. In the concluding session, Dr. Punam Devi, Head of the Management Department, gave the vote of thanks.
