ACTIVITY REPORT

Dated: 15/08/2019

ACTIVITY DETAILS: Tree Plantation

PARTICIPANTS: 28 Students and 5 faculty.

Institute organized a “**Tree Plantation**” Programme in college campus on 15-08-2019. The main objective of the programme was to create awareness among the students about the importance of planting. Director GITAM, Prof. (Dr.) Aman Aggarwal enlightened the students with his words. He told that we all need oxygen to live and trees are the foremost source of oxygen and they help to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and climate change, planting trees can help us improve the situation. The students planted saplings, fenced them and watered the plants. There was a huge enthusiasm among the teachers and the students for the programme.

PARTICIPANTS: 78 Students and 10 faculty members.

Department of Fire Technology and Safety Engineering organized a **“Tree Plantation Programme in college campus.”** on 20/02/2020. The campaign’s main aim was to direct students’ mind in constructive activities with the positive outcome through the facilitation of contributing to the society. The students brought various saplings and participated in the drive enthusiastically by helping each other in planting the saplings. All the saplings were planted in the college ground by teaching, nonteaching staff and students. The students along with the teachers also took an oath to look after the planted saplings, plant more and more trees and encourage others to do the same. Some of the students also shared their experiences and shared their joy with others.

ACTIVITY REPORT

Dated: 14/09/2018

ACTIVITY DETAILS: Cleanliness Drive in village Kablana under Swachh Bharat Swasth Bharat Abhiyaan.

PARTICIPANTS: 82 Students of ECE Department Participated.

OBJECTIVE:-

- ❖ To bring about an improvement in general quality of life in the rural areas by bringing cleanliness and elimination of open defecation.
- ❖ To promote cleanliness amongst citizens.
- ❖ To aware the citizens to dispose of waste mindfully.
- ❖ To effect behavioural change regarding healthy sanitation practices.
- ❖ To remove the system of manual scavenging.

Department of Electronics and Communication Engineering organized “**Cleanliness Drive under Swachh Bharat Swasth Bharat Abhiyaan**”. The main purpose of this programme was to create awareness among the people of Kablana village regarding cleanliness and its benefits. Under this event, all the students of ECE department along with faculty members have participated. As a part of this cleanliness drive, we made the people aware about cleanliness as it is the method by which we safeguard ourselves against various diseases and epidemics and ensure a good physical and mental health. Cleanliness is the habit of cleaning our home and surroundings and to make them look neat and clean. Cleanliness is of various types like personal, environmental, surroundings etc. Mahatma Gandhi highly emphasized the necessity of cleanliness and used to say that “Sanitation is more important than independence”. The feedback of the villagers was overwhelming.

ACTIVITY REPORT

Dated: 04/09/2017

ACTIVITY DETAILS: Tree Plantation Drive

PARTICIPANTS: 27 students and 5 faculty members.

Tree Plantation is the need of the hour to protect our environment against pollution and global warming. Keeping this in view, a **Tree Plantation Drive** was organized Department of Electrical Engineering in our college campus on 04/09/2017. Hon'ble Director, Dept. HOD's, faculty and students planted saplings in the college premises. They selected the empty places to plant saplings in a well-organized way. All participants were highly enthusiastic to make it a big success. The efforts made by all were appreciated by the representatives of the administration.
