International Yoga Day

Yoga is recognized as a form of Mind-Body Medicine that integrates an individual's Physical, Mental and Spiritual components to improve aspects of Health, particularly Stress related illness. Time to time we organize such events so that students and staff get to know the benefits of yoga in their lives. Evidence shows that Stress contributes to the etiology of heart disease, cancer, stroke and other chronic conditions or diseases. The attendees were also apprised about Stress Management and living a healthy life.

World Environment Day

Every year World Environment Day is celebrated on 5th June to spread awareness, to encourage people to take action and to protect the environment. World Environment Day has developed as a platform to raise awareness on the problems faced by our environment such as air pollution, water pollution, soil pollution, plastic pollution, illegal wildlife trade, sustainable consumption, sea-level increase, and food security, among others.

Children’s Day Celebration

Children's Day is celebrated across India to raise awareness about the rights, education, and welfare of children. On this day, many educational and motivational programs for children are held. Apart from this many athletic events are also organized .Taking part in sports is important for children as it reduces stress and enhances their mood. It builds healthy bones and muscles, increases fitness, improves sleep, helps them socialize, improves their cooperation skills, boosts self-confidence and lowers the risk of getting obese**.**

World Peace Meditation Day

Meditation is a practice in which an individual uses techniques such as - mindfulness or focussing the mind on a particular object/thought or activity. It helps us to achieve a mentally clear and emotionally calm and stable state. It helps us to discover our inner-selves. We celebrate this day by doing meditation in all classes/departments.

Independence Day(2016)

If we can get Independence (Freedom) from all our negative thoughts , lethargic approach and can live in communal harmony, that will be the best way to salute all those martyrs who laid their lives for getting freedom. We celebrate Independence day by flag hoisting and distributing sweets to all. Students give solo and duet performances by singing patriotic songs. These songs fill our hearts with a feeling of patriotism and love for our country.

Teachers' Day(2016)

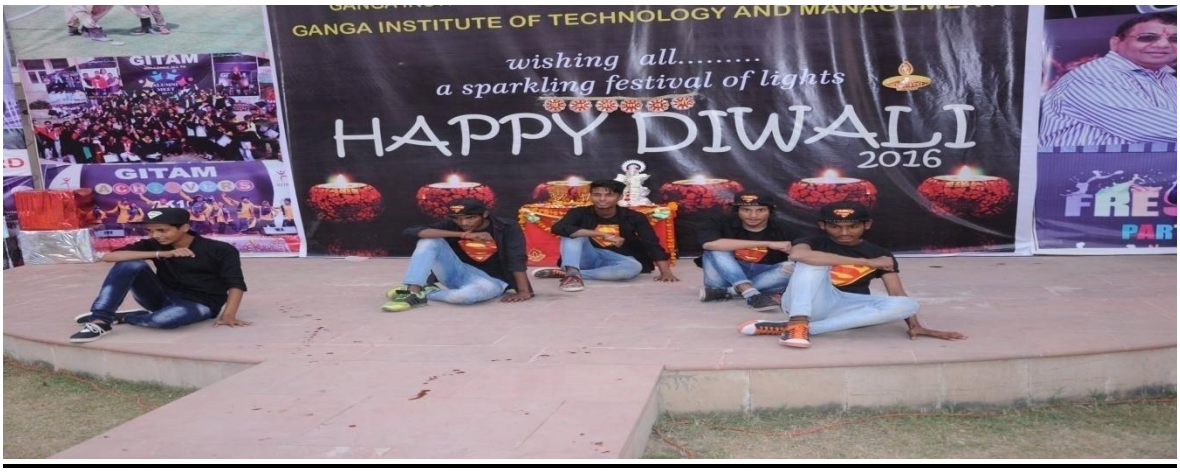

A teacher affects eternity; he can never tell where his influence stops. Good teachers know how to bring out the best in students. Teacher's day is organized centrally by the students with great zeal and excitement in the OAT. It is one day when teachers deserve to be given a healthy tribute for their hard efforts in moulding the future generation. Students enjoy a lot by performing in various cultural activities.

Diwali Celebration(2016)

Diwali is a festival of lights and one of the major festivals celebrated by all. One of the most popular festivals of Hinduism, Diwali symbolizes the spiritual victory of light over darkness, good over evil, and knowledge over ignorance. Diwali celebration begins with lamp lighting to pay tribute to Maa Laxmi and Maa Saraswati followed by various fun activities. At the end gifts are distributed to all the faculty and Staff members.

National Engineer's Day (2016)

Every year, on September 15th, National Engineers' Day is celebrated to recognize and honor the achievements of the great engineer Mokshagundam Visvesvaraya.
