**Subject: Review of fee revision proposal submitted by , Ganga Institute Of Technology & Management, Jhajjar (referred to as "Institute"), Haryana for B TECH course**

Respected Sir,

**Ganga Institute Of Technology & Management, Jhajjar** is registered as a *Trust* in the name of Pawan Ganga Educational Society Trust having registered office at 4/12, East Punjabi Bagh, New Delhi 110026.

The Institute has submitted a proposal for fixation of fee for this course, B.TECH. The Institute has proposed a fee of INR 73,300.00 per student (Tuition fee and Development fee) for session 2021-22 vide letter and proposal submitted bearing reference GITM/DR/2021/105 dated 28 January 2021.

**Existing and proposed fee**

The following table summarizes the (i) Fee proposed by the Institute and (ii) Fee recomputed based on data provided by the institute ('Recomputed Fee'):

		<b>Fee proposed by Institute [A]</b>	<b>Recomputed Fee [B]</b>
Tuition Fee (TF)		INR 63,700	INR 59,600
Development Fee (DF)		INR 9,600	INR 8,900
<b>Total fee</b>		<b>INR 73,300</b>	<b>INR 68,500</b>

*Note: Development fee has been computed at maximum rate of 15% of TF, as per applicable rules. Numbers have been rounded to nearest thousand.*

**Rationale for reduction in fee proposed by Institute**

Based on the methodology and norms prescribed by AICTE and Haryana Government, we have recomputed the TF at INR 59,600 and thereby a Total Fee (incl. 15% of TF as DF) of INR 68,500 per student. (represented by [B] in the above table)

Variance between **Revised fee proposed by the Institute** and **Recomputed Fee** of INR 4,800 per student (reduction of 6.50%) was due to :

- The institute has taken only cost for calculation of TF of one year only, whereas the TF is to be calculating by averaging the previous three years and projected two years .

- Institute had spent more on advertisement , while as per AFRC meeting held on 17 January 2019, it was notified that advertisement spend cannot exceed INR 200 per student

**NOTES:**

\*As per the decision of State Admission and Fee Committee in its meeting held on 17-01-2019 that condition No. 7 of the terms & conditions allows the institution to earn up to 5% of receipts through extra professional and academic activities such as short terms and long terms courses, training, consultancies, R & D projects, placements activities etc. The fund so generated shall be utilized in establishing a corpus fund to take care of the staff development, student welfare, infrastructural development and any un-foreseen expenses etc. Separate account shall be maintained for receipts, expenditure and transfer of surplus to corpus fund. Guideline No. 2 pertaining to transport says that it has to be as per actual. However not beyond Govt. fare per km. + up to 50%. Guideline No. 8 says that additional charges for items like generator, internet (Wi-Fi), Book Bank ( minimum 3 books) EDP etc. may be taken only if these facilities are provided. However, it should not be more than 5% of the sum of total of the tuition fee+ development fund and proportionately less as decided by State Fee Committee.

\*As per the decision taken in the meeting held on 17-01-2019 it has been decided that legal expenses will not for part of operational cost.

\*As per the decision taken in the meeting held on 17-01-2019 it has been decided that fee per student shall be computed based on actual number of students or 80% of the actual sanctioned strength whichever is higher.

\*As per the decision taken in the meeting held on 17-01-2019 it has been decided that advertisement expenses shall not be more than Rs. 200/- per student per annum.

\*As per the decision taken in the meeting held on 17-01-2019 it has been decided that depreciation will not be considered as operational cost.

\*As per the decision taken in the meeting held on 17-01-2019 it has been decided that the interest on loan cannot be taken into consideration for determining the fee structure.
