## Chairman's Desk

**Mr. Bharat Gupta**  
Chairman, GGI

I am really pleased to learn that Ganga Institute of Technology and Management is introducing its new Information Brochure. I sincerely congratulate the Director, Editorial Board, faculty and staff for their incessant efforts. GITAM focusses on holistic development of its students by giving them exposure at all fronts, be it Expert Lectures, Industrial Visits, Seminars, Workshops, Technical Activities, Project Competition, Sports etc. GITAM is striving to attain excellence in every field. GITAM has upgraded its All India Ranking from 94<sup>th</sup> in 2019 to 62<sup>nd</sup> in 2023. Rating 'AAA' by Careers 360 is yet another feather in the cap of GITAM. It is a matter of pride that Institute received NAAC 'A' Grade and B.Tech Electronics and Communication Engineering Department is accredited by NBA, in the year 2023. I wish GITAM continues to maintain its standard and makes new records in future.

# Director's Desk

**Prof. Aman Aggarwal**

Director, GITAM

The acid test for any organization is its Results and Placements. GITAM is among the best Institutes of M.D. University on both these fronts. About 1010 students of this Institute were University Merit Rankers in 2022 - 23, out of which 30 Students, had secured first position in the University. In the Convocation held in M.D. University, 15 students of GITAM received Gold Medals. 350+ companies have visited the campus for placement drive. We have tie-ups with more than 300 companies for Training & Placements. Our students also got selected in various Multinational Companies and Public Sector Undertakings. GITAM showcases multi-cultural diversity as students from 21 states and 8 countries study in the campus. Let me assure you that our students are well groomed, confident, versatile, hard working, intelligent, problem solvers and will definitely prove themselves as an asset to the Industry. My sincere compliments to Faculty and Staff.

# GITAM

## A RENOWNED NAME IN ACADEMICS AND PLACEMENTS

### VISION

GITAM aims to be an outstanding Institution in India through Academic Excellence in the field of Technology and Management, to fulfill the needs of the industry and serve the society.

### MISSION

- ◆ To provide a healthy environment to our students as well as faculty members.
- ◆ To achieve excellence in technical education.
- ◆ To promote holistic development of students through interaction with alumni, academia, industry and expert lectures.
- ◆ To attract, nurture and retain the best faculty and technical manpower.
- ◆ To contribute to the society by inculcating professional ethics in the students.
- ◆ To promote research and development initiatives.

### QUALITY POLICY

GITAM is committed to be a learning organization which shall not rest on its achievements and shall upgrade itself in terms of knowledge, attitude and skills for the overall development of its students and staff.

# VISION & MISSION

## DEPTT. OF COMPUTER SCIENCE AND ENGINEERING

### VISION

To be an acknowledged center of excellence in the field of Computer Science & Engineering by building a learning and Research Environment to meet the emerging needs of the industry and society.

### MISSION

- To produce competent researchers by imparting high quality learning at PG & UG level in the field of Computer Science and Engineering.
- To produce socially sensitive professionals by imparting ethical and value based education.
- To produce technically competent professionals by providing training through dedicated and competent faculty.
- To promote innovation in Computer Science and Engineering field to serve the need of industry and society.

## DEPTT. OF CIVIL ENGINEERING

### VISION

To be an extensive branch devoted to give high end research and technical education in Civil engineering which will create socially aware professionals to provide solutions to global community.

### MISSION

- To maintain the intellectually challenging yet supportive & welcoming environment that encourages & enables our students, faculty and staff to achieve their best in a diverse community.
- To develop graduates to compete at global level.
- To impart soft skills, leadership qualities & professional ethics among graduates to handle projects independently.
- To enhance research & result in solving problems related to civil engineering infrastructure as well as society at large.

## DEPTT. OF ELECTRONICS & COMMUNICATION ENGINEERING

### VISION

The Department of Electronics and Communication Engineering endeavours to develop high quality, technically competent and socially responsible engineers.

### MISSION

- To have adequate mechanisms by improving the understanding and implementation of theoretical concepts in practical scenario.
- To develop technical manpower by organizing workshops, expert lectures and industrial visits on regular basis.
- To impart quality teaching-learning experience with state of the art laboratories.
- To prepare the students to meet the global needs of Industry and Society.

## DEPTT. OF ELECTRICAL ENGINEERING

### VISION

To become center of excellence and to develop technically competent technocrats with high moral values in the field of electrical engineering.

### MISSION

- To nurture the student for a successful career in electrical engineering and relevant fields.
- To conduct expert lectures from academia/ industry, in house seminar, GD & PDP, visits to exhibitions, power plants and industry for holistic development of the students.
- To promote professional engineering principles, including ethics and responsiveness to save energy, health, safety and environmental issues.
- To pursue research and development in the area of electrical engineering and allied fields.

## DEPTT. OF FIRE TECHNOLOGY & SAFETY

### VISION

To become a centre of excellence in the field of Fire Technology and Safety engineering through advanced education, training and research to cater the needs of industries and make the nation safe.

### MISSION

- To nurture the students for a successful career in fire protection, safety, occupational health and environment, disaster management through quality training and education.
- To conduct expert lectures from industry/academia/field, PDP sessions, group discussions, visits to exhibitions, industrial visits and awareness camps etc. for the holistic development of the students.
- To provide healthy environment of learning in which students and faculties acquire knowledge in the area of fire protection, safety and disaster management to apply it professionally with due consideration for ethical, human life and property safety issues.
- To promote fire and safety culture through various awareness programmes for reducing accidents and production loss to make the society safe.
- To pursue research and developments in the area of fire, safety engineering, disaster management, environmental management and risk assessment.

## DEPTT. OF MECHANICAL ENGINEERING

### VISION

To become a center of excellence in the field of Mechanical Engineering, committed to address societal challenges and evolving needs of industry.

## MISSION

- To achieve excellence in mechanical engineering by providing outcome-based education and a healthy learning environment.
- To enhance the student's technical & entrepreneurial skills by providing advanced learning facilities and co-curricular activities.
- To inculcate professional ethics, leadership qualities, and moral and social values among students through interaction with alumni and experts from industry and academia.
- To encourage students to research and innovate through project works, workshops, conferences, training sessions, etc.

## DEPTT. OF MANAGEMENT

### VISION

"To be a leading center of academic excellence in the field of management, known for responsiveness to industry needs and positive societal impact."

## MISSION

- To impart quality education by providing advanced facilities and a healthy work environment.
- To develop students' entrepreneurial and managerial skills through interaction with alumni and industry experts.
- To equip students with an innovative and global mindset for the needs of Industry and society by inculcating professional ethics.
- To develop students' research abilities and skills through devising innovative teaching-learning methodologies.

## DEPTT. OF COMPUTER SC. & APPLICATIONS

### VISION

"To be a center of excellence in computer education and research, advancing technology and innovation in alignment with industry relevance, innovation and societal impact."

## MISSION

- "To provide high-quality education and practical training in computer applications
- "To cultivate strong industry partnerships and collaborations, ensuring that our programs remain relevant and responsive to the evolving needs of the IT sector."
- "To promote ethical values, professionalism, and social responsibility among students, instilling a sense of commitment to serving the community."
- "To continuously enhance infrastructure, resources, and facilities, providing a conducive learning environment for fostering creativity, critical thinking, and lifelong learning."

# ENGINEERING PROGRAMMES

## B.Tech

- ◆ Civil Engineering
- ◆ Computer Science & Engineering
- ◆ CSE-Artificial Intelligence & Machine Learning
- ◆ CSE-Data Science

## Working Professional Programmes

# ELIGIBILITY CRITERIA

## B.Tech (MECH, CIVIL, FTS)

Duration: Four (4) years

### Eligibility:

Passed 10+2 examination with Physics/ Mathematics/ Chemistry. Obtained at least 45% marks (42.75% marks in case of candidates belonging to reserved category of Haryana Only) in the above subjects taken together

## B.Tech (CSE, ECE, EE, AI & ML, DATA SCIENCE)

Duration: Four (4) years

### Eligibility:

Passed 10+2 examination with Physics/ Mathematics and any one out of the following courses Chemistry/ Computer Science/ Electronics/ Information Technology/ Biology/ Informatics Practices/ Biotechnology/ Technical Vocational subject/ Agriculture/ Engineering Graphics/ Business Studies/ Entrepreneurship. Obtained at least 45% marks (42.75% marks in case of candidates belonging to reserved category of Haryana Only) in the above subjects taken together

## B.Tech (Leet) (MECH, CIVIL, CSE, ECE, EE, FTS, DS, AIML)

Duration: Three (3) years

### Eligibility:

Passed Minimum Three years (Diploma examination with at least 45% marks (42.75% marks in case of candidates belonging to reserved Category of Haryana Only) in any branch of Engineering and Technology.

OR

Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (42.75% marks in case of candidates belonging to reserved category of Haryana Only) and passed 10+2 examination with Mathematics as a subject.

OR

Passed B.Voc /3-year D.Voc. Stream in the same or allied sector. (The Universities will offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, etc., for the students coming from diverse backgrounds to achieve desired learning outcomes of the programme)

## MBA

Duration: Two (2) years

### Eligibility:

Passed Bachelor Degree of minimum 3 years duration. Obtained at least 50% marks (47.5% marks in case of candidates belonging to reserved category of Haryana Only) in the qualifying examination.

## MCA

Duration: Two (2) years

### Eligibility:

Passed any graduation degree (e.g.: B.E. / B.Tech./ B.Sc / B.Com. / B.A./ B. Voc./ BCA etc.,) preferably with Mathematics at 10+2 level or at Graduation level .Obtained at least 50% marks (47.5% marks in case of candidates belonging to reserved category of Haryana Only) in the qualifying examination.(for students having no Mathematics background compulsory bridge course will be framed by the respective University/ Institution and additional bridge courses related to computer subjects as per the norms of the concerned University).

## BBA

Duration: Three (3) years

**Eligibility:**

Senior Secondary Examination (10+2) of Board of School Education Haryana, Bhiwani with 45% marks (42.75% marks for SC/ST/Blind/Visually and Differently Abled candidates of Haryana only ) in aggregate or an equivalent examination recognized by this University.

**OR**

Three years Diploma Course conducted by State Board of Technical Education or any other examination recognized by the State Board of Technical Education as equivalent there to.

## BCA

Duration: Three (3) years

**Eligibility:**

Senior Secondary Examination (10+2) with at least 45% marks ( 42.75% marks for SC/ ST/ Blind/ Visually and Differently Abled candidates of Haryana only ) in aggregate from Board of School Education Haryana, Bhiwani or any other examination recognized by M.D. University Rohtak as equivalent there to.

**OR**

Three years Diploma Program conducted by the State Board of Technical Education or any other examination recognized by the State Board of Technical Education as equivalent there to.

## M.Tech

Duration: Two (2) years

**Eligibility:**

Passed B.E/B.Tech or equivalent in the relevant field. Obtained at least 50% marks (47.5% marks in case of candidates belonging to reserved category of Haryana Only) in the qualifying Examination

## Working Professionals

**Eligibility:**

- Professionals working in Registered Industry or Organization (Central/State) or Private/Public Limited Companies or MSMEs located within 75KM radial distance from the Institute.
- Minimum of ONE Year Full time or Regular Working Experience.

Qualifications\* are given below:

Should be Passed Minimum Three years/Two years (Lateral Entry) Diploma examination with at least 45% marks (42.75% marks in case of candidates belonging to reserved category of Haryana only) in ANY branch of Engineering and Technology.

**OR**

Should be Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (42.75% marks in case of candidates belonging to reserved category of Haryana only) and passed 10+2 examination with Mathematics as a subject.

**OR**

Should be Passed B.Voc/3-year D.Voc. Stream in the same or allied sector.

**Note:**

1. All the above admissions are subject to availability/eligibility and norms of respective Statutory Approving bodies.
2. College Hostel Charges including boarding, lodging and laundry facility for Three Seater - Rs. 70,000/-p.a, for Two Seater - Rs. 80,000/-p.a. and with AC Hostel - Rs. 1,00,000/-p.a.
3. Transport Charges as per distance.

# What makes GITAM the FIRST CHOICE?

GITAM is the only Affiliated Engineering & Management College in Haryana to be Graded 'A' by NAAC

Highest No. of University Toppers & Merit Rankers among all Colleges under M.D. University, Rohtak (A+ Grade by NAAC)

The only College in Haryana to win "Smart India Hackathon Competition" (A National level contest organized by AICTE) for 5 Consecutive Years.

Runner up in ASEAN-INDIA Hackathon (An Initiative by Hon'ble Prime Minister).

GITAM has been conferred with the "Best College Award" by Sh. O. P. Dhankhar (Former Agriculture Minister, Haryana).

Received "National Award of Excellence for Placements" from Recruitment Analysis Council by Prof. S S Mantha, Former Chairman, AICTE.

GITAM's alumni are working with Google, IBM, TCS, HCL, Infosys, Wipro, Microsoft, SAIL, Delhi Fire Service, Electricity Boards, HPCL Bottling Plant, Oracle, Aon Hewitt, Siemens, Capgemini, Samsung etc.

350 + companies visited GITAM for Campus Placement Drive and more than 300+ Tie-ups for Training & Placements.

4000+ students from 8 Countries & 21 States of India.

Collaboration with IIT Delhi for Virtual Labs & IIT Bombay for Spoken Tutorials.

Student Chapter with Fire and Security Association of India (FSAI) and Institution of Engineers, India

Regular visits to Industries & Exhibitions, PDP sessions, Excursions, Educational Trips and Expert Lectures

# TRAINING & PLACEMENTS

The Training and Placement cell functions through its separate office with state - of - the - art facilities for conducting pre - placement talks, written tests, group discussions and interviews. The team is divided into two groups; one grooms the personality of the students and other takes care of placement activities. We have a strong Alumni Network which helps in placements. The Training and Placement cell has steadily progressed over the years in enhancing the placement potential effectively. Students also got selected in various multinational companies and government sectors through off - campus placement drives. The College maintains a help desk for students seeking information on the upcoming prospective companies for placement. Latest information from the corporate world is also provided to the aspiring students time to time.

## JOB FAIR & TOP COMPANIES

Organizing regular Job Fairs every year at GITAM Campus is another area where management takes keen interest to facilitate prospective candidates in getting suitable job opportunities as per their abilities, experience and academic background. On the spot job offers are made to the students. GITAM , because of its industry linkages and strategic location is an ideal place for companies to come and participate in the job fair within the college campus.

# ENTREPRENEURSHIP DEVELOPMENT PROGRAMMES

30 Days "Entrepreneurship Development Programme for Women" in collaboration with HARDICON Limited (Joint Venture of IFCI Ltd., SIDBI, SBI, PSU Banks & State Financial Corporations). 3 Days "Entrepreneurship Awareness Camp" in association with Department of Science & Technology, Govt. of India, MSME and HARDICON Limited. 5 Days "Management Development Programme" based on Digital Marketing conducted by MSME, Karnal Haryana.

## SOCIAL EVENTS

The Institute conducts various social events like Blood Donation Camps, Tree Plantation Drives, Ganga Swachhata Abhiyan, Awareness Programmes on Beti Bachao-Beti Padhao, Energy Conservation and Effects of Mobile Radiations etc. It also provides the students a platform to showcase their creative skills and literary skills.

## EXPERT LECTURES

In addition to academic knowledge being imparted in the classroom lectures, GITAM gives additional inputs in the form of expert lectures. These lectures are organized for each department. The students and faculty get an opportunity to interact with the industry and academia. Faculty Development Programmes in association with NITTTR, Chandigarh are conducted bi-annually.

## FACULTY DEVELOPMENT PROGRAMMES

In addition to academic knowledge being imparted in the classroom lectures, GITAM gives additional inputs in the form of expert lectures. These lectures are organized for each department. The students and faculty get an opportunity to interact with the industry and academia. Faculty Development Programmes in association with AICTE & NITTTR, Chandigarh are conducted.

# INDUSTRIAL VISITS

Industrial visits are a part of curricula to acquaint the students about latest technologies and bridge the gap between theory and real working world.

# TESTIMONIALS

It was a memorable experience at GITAM. I am thankful to all teachers and mentors at GITAM for enhancing my academic and interpersonal skills. The infrastructure and state-of-the-art labs of GITAM are best in NCR region.

Sudhanshu (M.Tech Mech)

My journey with GITAM has been a very meaningful & unforgettable part of my life. With my four years of study here, I would honestly say that if you want to groom your potentials there is no better place than GITAM.

Anuradha (B.Tech ECE)

The campus is full of limitless opportunities, if you want to discover yourself. Besides that, this college gave me sweet memories, faithful friends and a sense of confidence to face the challenges and turbulence in life. Thanks to GITAM.

Gaurav (B.Tech Civil)

I really appreciate the dedication of all my mentors. GITAM has helped me to take my first stand in professional world, with the help of Training and Placement Cell, I got a job of my choice.

Imtiyaz Hussain (B.Tech Civil)

GITAM is a pioneering institute providing good academics to the young Engineers and Managers. I am indebted to all my mentors who taught me to believe in myself and prove my mettle at all fronts.

Manish Kumar (Fire & Safety)

It was my fortune to be a part of GITAM where I could grow. The best thing about GITAM is the cross-cultural interaction between students from various parts of world. Faculty members always encouraged us to participate in Extra Curricular activities.

Gaurav (Mech)

I feel proud & privileged to be a part of GITAM family, as it was the stepping-stone in my career. I am very grateful to all my faculty members for assisting me to acquire the comprehensive knowledge in the field of ECE.

Sandeep (ECE)

GITAM is a place where you can find an amalgamation of learning. I feel great studying at GITAM as it gave me great opportunities. Getting placed in MICROSOFT is an achievement for me for which I shall be ever indebted to GITAM

Shivani (CSE)

Technical training provided to me at Fire Ground of GITAM, laid foundation for a successful technical career. Best part was the support I received from HOD and teachers, not just during the course but even after Completion.

Yogesh Sharma (Fire & Safety)

After getting admission at GITAM my life has been full of excitement and inspiration. I have been inspired by my HOD, the staff in the department and my fellow students. I am elated to see the transformation in my personality

Shantinath (Electrical)

It gives me immense pleasure to proclaim that GITAM has made me a better person. It has helped me to develop a positive attitude, I consider myself lucky for being a part of GITAM.

Kavita (B.Tech ME)

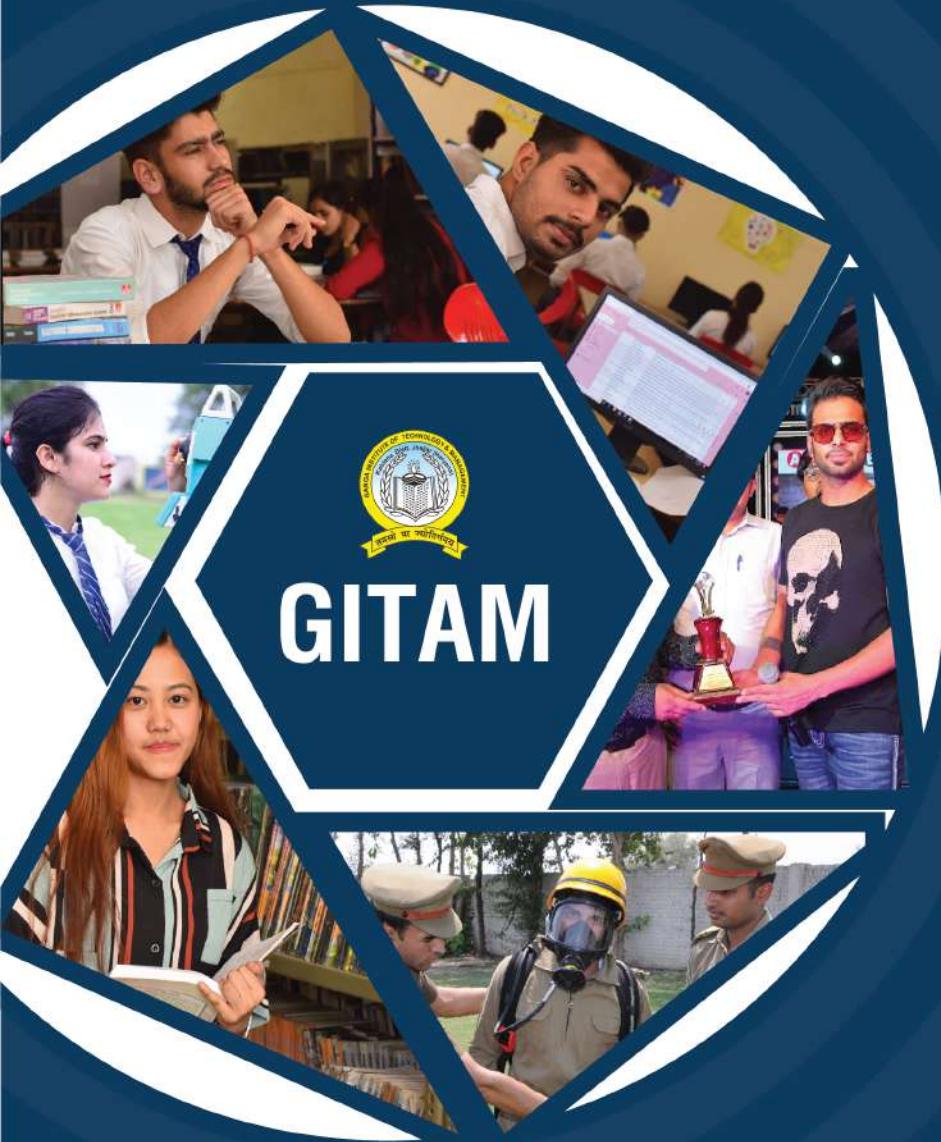

The lush green campus, serene environment, excellent infrastructure affordable fee structure, highly qualified and experienced staff makes GITAM the right choice.

Mohit Dua (Electrical)
