#### Rationale for reduction in fee proposed by Institute

Based on the methodology and norms prescribed by AICTE and Haryana Government, we have recomputed the TF at INR 55,900 and thereby a Total Fee (incl. 15% of TF as DF) of INR 64,300 per student. (represented by [C] in the above table)

Variance between Revised fee proposed by the Institute and Recomputed Fee of INR 27,151 per student (reduction of 29.68%) was due to:

- The institute has taken only cost for calculation of TF of one year only, whereas the TF is to be calculating by averaging the previous three years and projected two years.
- Institute had spent more on advertisement, while as per AFRC meeting held on 11-09-2025, it was notified that advertisement spend cannot exceed INR 750 per student.

#### NOTES:

\*As per the decision of State Admission and Fee Committee in its meeting held on 11-09-2025 that condition No. 7 of the terms & conditions allows the institution to earn up to 5% of receipts through extra professional and academic activities such as short terms and long terms courses, training, consultancies, R & D projects, placements activities etc. The fund so generated shall be utilized in establishing a corpus fund to take care of the staff development, student welfare, infrastructural development and any un-foreseen expenses etc. Separate account shall be maintained for receipts, expenditure and transfer of surplus to corpus fund. Guideline No. 2 pertaining to transport says that it has to be as per actual. However not beyond Govt. fare per km. + up to 50%. Guideline No. 8 says that additional changes for items like generator, internet (Wi-Fi), Book Bank (minimum 3 books) EDP etc. may be taken only if these faculties are provided. However, it should not be more than 5% of the sum of total of the tuition fee+ development fund and proportionately less as decided by State Fee Committee.

\*As per the decision taken on 11-09-2025, genuine legal expenses incurred by institutions in student-related matters may be considered part of operational costs, subject to documentary proof and justification.

\*As per the decision taken on 11-09-2025, the cap on non-teaching staff expenses remains at 35% for technical and 45% for pharmacy institutions.

\*As per the decision taken on 11-09-2025, fee computation should be based on full sanctioned intake rather than actual admissions or 80% capacity.

\*As per the decision taken in the meeting held on 11-09-2025 it has been decided that advertisement expenses shall not be more than Rs. 750/- per student per annum.

\*As per the decision taken in the meeting held on 11-09-2025 it has been decided that depreciation will not be considered as operational cost.
