Ganga Institute of Technology and Management, an Autonomous Institute accredited with “A” Grade by NAAC affiliated to Maharshi Dayanand University, Rohtak is running various UG/PG Programmes for working Professionals after obtaining Approval from AICTE, under Ministry of Education, Government of India.

Admission Guidelines for Session 2026-27

*As per provisions of the National Education Policy (NEP) 2020, provision for upgradation of qualification of Working Professionals has been introduced. AICTE has made provision for employed/ working professionals to upgrade their academic qualification /skill sets at degree/ postgraduate level through flexible mode (timings).

- *In order to facilitate employed/ working professionals, Council has made a special provision by providing flexibility in timing to conduct theory and practical classes (even beyond office hours) so has to upgrade their skills and knowledge. This will be treated as regular mode and NOT as an evening program/ part-time. Working professionals with /Diploma/UG qualifications enrolled in regular UG/ PG Programmes respectively shall be allowed to do the theory and practical in flexible timing to enrich their skills and knowledge.
- *Also, as the demands of the job market evolves, so do the educational needs of Students. Hence, from this year, AICTE decided to give approvals for B.E./B.Tech/M.Tech/MBA, etc. programmes for working professionals. This move is definitely going to give huge opportunity to working professionals to upgrade their skills and education simultaneously. Now every technical working professional will have an opportunity to pursue education without quitting job or taking long leave.
